

TAPESTRY & X-STITCH KITS

All kits come with canvas and wool or stranded cotton and a needle.

SORRY : CURRENTLY CROSS STITCH AND TAPESTRIES ARE ONLY AVAILABLE WITH CARD OR QUILT KITS – NOT SOLD SEPARATELY

A number of canvases need to be ordered and therefore subjected to availability. When you place your order, you will be informed if the canvas/es are not available from our suppliers. Please keep a second option in mind just in case.

Choose a canvas which best suits your project. If a canvas is costly, making the project more than the standard price, it will be marked with an *.
